CONDITIONS OF SALE

1. The highest bidder will be the purchaser, and no bidding can be retracted after the hammer has fallen. The Auctioneers reserve the right to refuse any bidding and in the event of any dispute the Lot may be put up again at the Auctioneer's discretion.
2. Lots are for sale, subject to any reserve price imposed by the Vendor and each lot will be sold with the option to purchase the following lots at the same price from the same Vendor. All Lots will be sold per Bale or per Tonne for Roots.
3. The description of the Lots is believed to be correct; however, the approximate weights or measurements are given for guidance only and prospective Purchasers will be deemed to have inspected the Lots for which they bid and no warranty whatsoever is given regarding weight, quality, condition or quantity.
4. The terms of sale are cash, cheque or debit card and goods must be paid for at the end of the sale. No Credit Cards. Purchasers' unknown to the Auctioneers are requested to bring a Bankers Draft or pay cash. The Auctioneers will then hold funds as Stakeholders until paying out the Vendors. If paying by Bacs: Please send funds to Lloyds Bank Account No. 00296601 Sort Code 30 94 14.
5. **NO LOTS MAY BE REMOVED UNTIL PAID FOR. Payment is to be made on the day of sale. If lots are removed and vendors haven't checked with Sunderlands before removal Sunderlands will not be responsible for payment.**
6. All Lots must be removed as stated in the catalogue, and if not so removed by the said date, the Purchaser shall pay the Vendor a penalty of £10 per week for each week or part thereof until final clearance or forfeit the balance of the Lot at the Vendors discretion. The Purchaser will indemnify the Vendor for any damage that may be caused to gates, fences, buildings or equipment etc in the course of removal of any Lot.
7. The Auctioneers intend to sell in the order lotted and described in the catalogue but reserve the right to make any alteration if so required.
8. The Auctioneers will not be responsible for any Lots damaged by fire, accident or otherwise and all Lots are the Purchasers responsibility from the fall of the hammer.
9. Upon failure of complying with the above conditions, money deposited in payment will be forfeited and the Lots which may remain uncleared after the time aforesaid will be sold by public or private sale without notice to the former Purchaser and the deficiency (if any) by such a second sale, together with all charges attending the same, shall be made good by the defaulter at this sale.
10. In the event of a Lot not selling in the saleroom any further negotiations are to be conducted through the Auctioneers, as agents to the Vendor, and these conditions will apply for private sale also.
11. Root Crops and Clamp Silage will be paid for on the day of sale at the quantity indicated and after weighing out at the Purchasers expense any balance is to be dealt with between the Vendor and Purchaser directly.

11. Commission Bids will be executed by the Auctioneers at 1 Bid more than the bidding in the room. The max bid will not be used unless the bidding in the room dictates. The Commission Bid Form is at the end of the catalogue.
12. Prospective Purchasers should view each Lot before bidding to satisfy themselves as to the quantity, quality, weight, measurements, etc, as no warranty whatsoever is given by the Auctioneers. When inspecting please make an appointment. Purchasers are deemed to have inspected the fodder and bid accordingly whether they have viewed or not.
